

**Universitatea de Medicina si Farmacie "Carol Davila", Bucuresti
Facultatea de Moase si Asistenta Medicala - Disciplina Microbiologie, Parazitologie
si Virusologi**

**Eșantionarea în infecția cu SARS CoV-2
Workshop**

Iunie 2021 - on-line pe platforma clasroom google meets

Organizator principal - Loredana Manolescu, MD, PhD, sef disciplina

Nota: In cadrul Workshop-ului a fost popularizat proiectul **STAMINA** (<https://stamina-project.eu/>). S-a arata importanta cunoasterii si pregatirii in cazul aparitiilor unor crize de tipul pandemiilor. Tema abordata este de interes deoarece traversam o perioada grea, pandemia de SARS CoV-2.

Cunostintele dobandite in cadrul acestei sesiuni vor folosi viitorilor asistenti medicali si moase.

Numar de participanti: circa 120.

"Carol Davila" University of Medicine and Pharmacy, Bucharest
Faculty of Nursing and Healthcare - Discipline Microbiology, Parasitology and
Virologists

**Sampling in SARS CoV-2 infection
Workshop**

June 2021 - online on the clasroom google meets platform

Main organizer - Loredana Manolescu, MD, PhD, head of discipline

Note: The **STAMINA** project (<https://stamina-project.eu/>) was popularized during the Workshop. It was important to know and prepare in case of pandemic crises. The topic is interesting because we are going through a difficult period, the SARS CoV-2 pandemic.

The knowledge gained in this session will be used by future nurses and midwives.

Number of participants: about 120.
